

# TOP 10 REASONS STUDENTS TAKE OUR ONLINE SUMMER COURSES

- 

**1 To learn more about a career interest** - We offer online courses in preparing for college and careers, computer science, music theory, art history, sociology, psychology, and many other fascinating, career-oriented subjects!
- 

**2 To recover credits in a course they failed during a previous semester** - We offer full semester courses and support from a teacher for credit recovery students that provides them with extra support in their online courses.
- 

**3 To fulfill prerequisites** - So they can begin AP courses or dual enrollment in the fall.
- 

**4 To create more space in next year's schedule** - So they can take band, orchestra, choir, AP courses, or dual enroll.
- 

**5 To practice their Math and English skills over the summer** - Studies show that students lose up to 2 months of math and reading skills over the summer. With our Math and English courses, they can keep their minds active and either catch up or surpass grade-level expectations.
- 

**6 To keep their world language learning skills fresh** - So they don't lose three months of practice over the summer.
- 

**7 To begin learning a new world language** - We offer 4 world languages over the summer; including American Sign Language, Chinese, French, and Spanish.
- 

**8 To take courses not offered at your school** - Some schools may not offer certain courses that a student may be interested in or want to take to earn credits toward graduation.
- 

**9 To earn NCAA credits (for student-athletes)** - Online courses that are NCAA-approved allow student-athletes get ahead on college requirements over the summer, so they have more flexibility for balancing sports and school in the upcoming year.
- 

**10 To prevent summer brain drain** - On average, it is predicted that students lose about one month's worth of learning over the summer. Online summer courses help students keep their minds active during summer break!
