

TOP 10 REASONS STUDENTS TAKE OUR ONLINE SUMMER COURSES

1

To learn more about a career interest - We offer online courses in preparing for college and careers, computer science, music theory, art history, sociology, psychology, and many other fascinating subjects!

2

To recover credits in a course they failed during a previous semester - We offer full semester courses and support from a teacher for credit recovery students that provides them with extra support in their courses.

3

To fulfill prerequisites - So they can begin AP courses or dual enrollment in the fall.

4

To earn Ivy Tech Dual Credit - We offer 15 dual credit course at a discounted cost.

5

To create more space in next year's schedule - So they can take band, orchestra, choir, AP courses, or dual enroll.

6

To practice their Math and English skills over the summer - Studies show that students lose up to 2 months of math and reading skills over the summer. With our Math and English courses, they can keep their minds active and either catch up or surpass grade-level expectations.

7

To keep their world language learning skills fresh - So they don't lose three months of practice in summer. We offer 4 world languages.

8

To begin learning a new world language - We offer 4 world languages over the summer; including American Sign Language, Chinese, French, and Spanish.

9

To take courses not offered at your school - Some schools may not offer certain courses that a student may be interested in or want to take to earn credits toward graduation.

10

To earn NCAA credits (for student-athletes) - Online courses that are NCAA-approved allow student-athletes get ahead on college requirements over the summer, so they have more flexibility for balancing sports and school in the upcoming year.
