TOP 10 REASONS STUDENTS TAKE OUR ONLINE SUMMER COURSES

1. **To learn more about a career interest** - We offer online courses in preparing for college and careers, computer science, music theory, art history, sociology, psychology, and many other fascinating subjects!
2. **To recover credits in a course they failed during a previous semester** - We offer full semester courses and support from a teacher for credit recovery students that provides them with extra support in their courses.
3. **To fulfill prerequisites** - So they can begin AP courses or dual enrollment in the fall.
4. **To work at their own pace** - So they have flexibility to complete work at their own pace over the summer.
5. **To create more space in next year's schedule** - So they can take band, orchestra, choir, AP courses, or dual enroll.
6. **To practice their Math and English skills over the summer** - Studies show that students lose up to 2 months of math and reading skills over the summer.
7. **To keep learning skills fresh** - So they don't lose 3 months of practice in summer.
8. **To begin learning a new world language** - We offer 4 world languages over the summer.
9. **To take courses not offered at your school** - Some schools may not offer certain courses that a student may be interested in or want to take to earn credits toward graduation.
10. **To earn NCAA credits (for student-athletes)** - Online courses that are NCAA-approved allow student-athletes get ahead on college requirements over the summer, so they have more flexibility for balancing sports and school in the upcoming year.
