

# EdReady Indiana - Pathway to Algebra

“What do you want your students to be ready for?” If the answer is algebra, EdReady Indiana, an Indiana Online program, has a proven solution for your teachers and students. Leverage EdReady Indiana as an additional resource to be used in the classroom to assist students in increasing their algebra proficiency.

What is Pathway to Algebra?	Why use Pathway to Algebra?
<ul style="list-style-type: none"> <li>• A diagnostic test that efficiently identifies learning gaps in foundational math skills.</li> <li>• A tool that creates an individualized learning path to assist with student growth in skills needed for algebra.</li> </ul>	<ul style="list-style-type: none"> <li>• Support daily classroom instruction and teacher involvement to ensure student growth.</li> <li>• Provide focused, multi-format instruction that enables students to engage in a learning style that meets their needs.</li> </ul>

Pathway to Algebra identifies placement and gaps, then creates targeted instruction to each student’s individual needs through (1) an initial diagnostic test followed by (2) delivery of a customized learning path based on each student’s diagnostic test results. Pathway to Algebra is specifically designed to help students prepare for and succeed in algebra.
